SHREWSBURY HOUSE  
PRE-PREPARATORY SCHOOL

Our School value of Care has been central to our thoughts, assembly time and PSHE sessions this week. We have a wonderful caring community at the Pre-Prep and it has been lovely to highlight this and remind the children how much they are cared for.

On Wednesday, we turned our attention to caring about others, specifically our local community and introduced to the children the SPPA chosen charity we are going to be supporting this year. It is a local charity known as 'CHEER' (Concern and Help for the East Elmbridge Retired). <http://www.cheer-elmbridge.org.uk/>

CHEER is a charity that looks to care for and support the elderly within our community. We are keen to be involved in this work with a number of initiatives and events across the year. As a first step we are hoping to setup a 'pen-pal scheme' where our pupils send Christmas Cards to individuals supported by CHEER – more details of this to come next week.

We are greatly looking forward to the Claygate Christmas Lights Event tomorrow where the school choir will be singing just after 5:00pm. I hope to see many of you there.
