WRAPAROUND CARE

SPRING TERM 2024

WRAPAROUND CARE FOR THE SPRING TERM 2024

If your child wishes to attend Wraparound Care for the Spring Term 2024, which consists of Breakfast Club and Afternoon Supervision, you need to click on the link which has been emailed to you along with this brochure. The online booking form will give you the option to book the supervision listed below.

Please note that by using our online booking form you are notifying us of the Wraparound Care sessions you wish your child to attend, and confirm that you have read this brochure and accept the Terms and Conditions.

All sessions have a minimum and maximum number of spaces. Should minimum numbers not be reached the session will unfortunately not take place and you will be notified accordingly. Should the maximum number be reached, allocation will be made on a first-come-first-served basis.

The Wraparound Care provision will run from **Monday 8th January**, up to and including the last day of term (**Tuesday 26th March**). Please note however, that as School finishes at noon on the last day of term, there will be no Afternoon or Sibling Supervision on that day. The Spring Half Term break is one week commencing **Monday 12th February**.

It is also possible to book ad-hoc sessions by emailing the School Office on shppooffice@shstrust.net. Provided there is space for your child in the session you have requested, their name will be added to the register and the appropriate charge will be added to your end of term invoice.

DESCRIPTION OF WRAPAROUND CARE PROVISION

Breakfast Club (Morning Supervision)	Breakfast Club provides supervision for your child before the beginning of the school day, with the chance to meet friends early and play games. A healthy breakfast is served from 7.30am – 8.15am and children are offered a range of cereals and fruit. In addition, they are also offered toast with a choice of spreads and there is sometimes hot food available such as sausages or bacon. At the end of Breakfast Club children in Reception, Year 1 and Year 2 are taken out to the Main Playground where they will be supervised by the staff on duty, and Nursery children are escorted to their classrooms.
Sibling Supervision	In Sibling Supervision your child can wait for their elder sibling(s) at SHPPS to finish school, so both or all can be collected at the same time. Please note that food and drink are not provided, however you may wish to send in a small snack for your child to eat while they wait.
Afternoon Supervision	Afternoon Supervision offers your child the opportunity to relax at the end of the school day with puzzles, games, and table top activities. Each child is given a drink and a snack while they await collection at any time up until 6pm.
